## A CHARACTER QUIZ

We send our children to school to learn and we expect them to preform on their test to show an improvement. We expect our medical professionals to continue their learning with continuing education credits and we expect the test to show an improvement. Notice the first part of 2 Corinthians 13:5: “*Examine yourselves, whether ye be in the faith; prove your own selves.*” As Christians we should be evaluating our lives and expecting to see an improvement. Take this quick quiz to quiz your character.

1. If you found a wallet with \$1,000, would you give it to the owner if no one knew you found it?
2. If you could advance yourself by unfair methods, would you do it if no one found out you were unfair?
3. If there were no locks on any house, store or bank, would you take anything if no one ever found out?
4. If your business partner died, would you pay his relatives their fair share, if you did not have to pay them?
5. If you were an employer trying to hire an efficient, honest, and competent employee, would you hire yourself at your salary?
6. If you had your choice, would you like to live in a community with people working in a church just like yours?
7. If you had to live with someone just like yourself for the rest of your life, would you look forward to it as a wonderful opportunity and privilege?
8. If dependent on others just like yourself to give you the gospel, would you ever be saved?
9. If your church friends gave like you do, could the church survive?

# Thoughts from Jonathan

## ASK WHAT YOU CAN DO FOR YOUR CONGREGATION

President Kennedy proclaimed: "Ask not what your country can do for you. Ask what you can do for your country!" This challenge is a principle that should be the guide for all the citizens of the United States of America. We should desire to be citizens that want better for the future generations of this great nation. We should want to stand up and do something for our Country.

The same thing can be said about members of the Lord's Church: "Ask not what your congregation can do for you. Ask what you can do for your congregation." What a wonderful event it would be if all Christians found ways to help the local congregation. So many times we are concerned with how many cards we receive and not with how many we send. We are concerned with how much we are loved but fail often to consider how much love we have shown. We get upset when someone does not speak to us but forget that we did not speak to others. Ask what you can do for your congregation.

Notice Philippians 1:9-11: "And this I pray, that your love may abound yet more and more in knowledge and in all judgment; That ye may approve things that are excellent; that ye may be sincere and without offence till the day of Christ; Being filled with the fruits of righteousness, which are by Jesus Christ, unto the glory and praise of God." We can be people who give love, are filled with knowledge, understand judgment, live excellent lives, and be filled with the actions of righteousness. This article was not written to point out some glaring problem at East Hill but to help us come to the realization that we are servants of the Lord. Kennedy was asking the nation to do something and we should be asking ourselves to help build up the local church.
